NUMBER 294.

TUESDAY'S ELECTION.

Official Returns Necessary to Decide the Result.

OHIO CLAIMED BY BOTH PARTIES.

Bushnell Elected by a Plurality of 26,520. The Legislature Will Be Very Close. Complete Returns From New York and Pennsylvania—Democrats Have Carried the Maryland Legislature.

COLUMBUS, O., Nov. 4.—Unofficial but complete returns show Republican plurality of 26,520 in Ohio. Both sides still claim a majority of the legislature. Republicans by 5, Democrats by 3 majority.

The Republicans claim the election of the representatives from the following counties: Adams and Pike, Carroll and Harrison, Geauga and Lake, Ashtabula, Athens, Belmont (3), Champaign, Clarke (2), Clinton, Columbiana, Cuyahoga (9), Delaware, Erie, Fayette, Fulton, Gallia, Greene, Guernsey, Hancock, Highland, Huron, Jackson, Jefferson, Lawrence, Lorain, Madison, Mahoning (2), Medina, Meigs, Miami, Montgomery (2), Morgan, Muskingum, Noble, Portage, Preble, Ross, Scioto, Stark (2), Trumbull, Union, Warren, Washington, Williams, Wood—total, 58.

The following counties are conceded by the Republican state committee to the Democrats: Hocking and Vinton, Marion and Morrow, Allen, Ashland, Auglaize, Brown, Butler, Clermont, Coshocton, Crawford, Darke, Defiance, Fairfield, Franklin (3), Hamilton (10), Hardin, Henry, Holmes, Knox, Licking, Logan, Lucas (2), Mercer, Monroe, Ottawa, Paulding, Perry, Pickaway, Putnam, Richland, Sandusky, Seneca, Shelby, Tuscarawas, Van Wert, Wayne, Wyandot—Total 49.

Chairman McConville of the Democratic state committee concedes the defeat of his state ticket, but states they have reduced the Republican plurality of 51,000 of last year by over one half. Although others at Democratic state headquarters concede that the legislature will be Republican on a close majority of one or more, Chairman McConville does not concede the control of that body to the Republicans.

Mr. McConville reviewed the claims of the Republicans on the legislature and struck the representatives from Wood and Noble counties from their list, also the senator from the Marion-Logan district and said these three changes would make the legislature stand 73 Democrats to 72 Republicans and he would never give either of these three doubtful members up till the official count was completed. He also contests the election of two of the 12 members from Cuyahoga county which would make the legislature stand 75 Democrats and 70 Republicans. Chairman McConville says he believes the Democratic representatives were elected in three other counties which he does not want to name pending investigation of alleged frauds. He charges frauds in Noble and Wood counties and in the Marion-Logan district.

THE HAMILTON COUNTY VOTE.

The Democratic-Fusion Ticket Has a Decided Majority.

CINCINNATI, Nov. 4.—The total vote cast in Hamilton county was 81,176. Of this, 60,504 votes were in Cincinnati and 14,672 in the county exclusive of Cincinnati. The only candidate elected on the straight Republican ticket was the county infirmity director, for whom only the county outside of Cincinnati has the right to vote.

The average majorities of the fusion senators were 1,673; for the 10 fusion representatives the average was 2,223. The highest majority on the fusion ticket for county offices was that for board of control—5,996; the next highest was for prosecuting attorney—5,230. Four of the county officers elected on the Democratic fusion ticket are independent Republicans, and one senator and four representatives are also independent Republicans.

NEW YORK.

Democratic Candidate For Chief Judge of the Court of Appeals Elected.

NEW YORK, Nov. 4.—Returns from all the counties in the state indicate a plurality of more than 58,000 for A. B. Parker, Democratic candidate for chief judge of the court of appeals. His plurality in Greater New York is 133,056.

Van Wyck, Tammany candidate for mayor of New York, has 81,584 plurality over Seth Low and 118,401 over General Tracy.

The state legislature remains Republican. The senators, hold-over and the new house of assembly stands 85 Republicans to 68 Democrats. Ten of the newly elected assemblymen are said to be anti-Platt. In the present senate the Republican majority is 30; in the house 78.

The special election in the Third congressional district, Brooklyn, resulted in a victory for Edmund H. Briggs, Democrat, over William A. Prendergast, Republican, by nearly 2,000 majority. Last year Francis Wilson, Republican, was elected in this district by more than 5,500 plurality. He resigned to become postmaster of Brooklyn. Prendergast suffered because of the bitter fight between the Republican factions in Brooklyn.

Kentucky.

LEXINGTON, Ky., Nov. 4.—There is little interest in the size of Shackelford's majority, as it is conceded to be

somewhere in the neighborhood of 15,000. The Democrats have won or increased their vote everywhere. The issues were local, free silver not being an issue in any race from the lowest to the highest. The Democrats have secured a good majority in the legislature, but as a senator is not to be elected until after another election is held for representatives, it is of no great importance.

Massachusetts.

BOSTON, Nov. 4.—Roger Wolcott, the Republican candidate, has been re-elected as governor of Massachusetts by a plurality of nearly 86,000. There are still a few remote precincts to be heard from, but the total vote in these districts is only a few hundred. Revised returns show a total vote of 165,813 for Wolcott, 77,395 for George Fred Williams, regular Democratic candidate, and 14,129 for William Everett, the nominee of the National Democrats. Wolcott's plurality last year was 154,542, nearly 11,000 less than his total vote this year. This year's political complexion of the general house will be as follows: Senate—Republicans, 34; Democrats, 6. House—Republicans, 182; Democrats, 12; Independents, 6; Prohibitionists, 1.

Pennsylvania.

PHILADELPHIA, Nov. 4.—The complete vote of Pennsylvania is as follows: For state treasurer, Beacom, Republican, 364,597; Brown, Democrat, 240,216; Swallow, Prohibitionist, 116,153; Thompson, Independent, 13,298. Beacom's plurality, 124,381. For auditor general, McCauley, Republican, 400,695; Ritter, Democrat, 260,164; Lathrop, 55,882. McCauley's plurality, 140,531. The total vote for state treasurer is 784,259, as compared with 767,807 in 1895 and 1,194,455 in 1896. Dr. Swallow, the Prohibition candidate, has a plurality in 10 of the 67 counties.

Colorado.

DENVER, Nov. 4.—The result of Tuesday's election in this state is still in doubt so far as justice of the supreme court is concerned, and it will take the official canvass to decide who has won. Returns and estimates so far received show Hayt, candidate of the Republicans and silver Republicans, 82 votes in the lead. Counties yet to be heard from are divided and some doubtful. The chairman of the Populist and Democratic parties claim that full returns will give their candidate, Gabbert, from 1,000 to 1,500 majority.

New Jersey.

TRENTON, Nov. 4.—The New Jersey assembly will have a Republican majority of 21 on joint ballot. The latest figures from the different counties show that the Democrats have elected senators in Burlington, Huntingdon, Middlesex, Passaic and Sussex counties, and that Robert E. Hand, Republican, is elected senator from Cape May by about 250 majority. With the holdover senators this will make the senate stand 14 Republicans to 7 Democrats.

Maryland.

BALTIMORE, Nov. 4.—With semi-official returns from all the counties in the state except St. Mary's and Calvert, and fairly good estimates from these, the Democrats appear to have elected enough members to the next legislature to give them a majority of 5 on joint ballot and to insure the re-election of Senator Gorman.

Virginia.

RICHMOND, Nov. 4.—The latest returns from Tuesday's election in Virginia give the Democrats all the senators elected and 94 and 95 members of the house. The Republicans get four, perhaps five, members and the Independents one member. The Democrats made heavy gains in the southwest and in the valley.

AERONAUT DROWNED

Stewart Young Finds a Watery Grave in Lake Michigan at Chicago.

CHICAGO, Nov. 4.—Aeronaut Stewart Young was drowned in Lake Michigan at the foot of Monroe street yesterday afternoon while attempting to descend from his balloon in a parachute. Thousands of persons witnessed the accident.

Young ascended from the Winter circus at Hubbard Court and Wabash avenue. A brisk wind was blowing and the airship quickly veered to the east. Immediately over Lake Front park Young was seen to loosen his parachute and make ready to desert the balloon. Evidently something went wrong for the aeronaut failed to drop and the balloon, suddenly exploding, fell into the lake. Young was seen to struggle violently to free himself and then sink. The lifesaving crew dragged the lake for the body, but were unable to bring it up.

Boiler Explosion.

VANCOUVER, B. C., Nov. 4.—A terrible boiler explosion occurred yesterday afternoon at the Royal City mills, three men being injured, G. Scully, Charles Phillips and a youth named Forbes. Fortunately the explosion occurred during the lunch hour, when over 100 of the men were away. The boiler was blown 60 yards and the engine house wrecked. Five men standing close to the boiler miraculously escaped unhurt. The big smokestack fell on the blacksmith shop, in which were seven men, but all escaped uninjured, although the shop was wrecked.

A JUDGE SHOT DOWN

Cowardly Attempted Assassination at Georgetown, O.

JOHN H. MARKLEY WOUNDED.

A Colored Man Did the Deed Without Provocation—An Attempted Assassination at Cincinnati—The Pistol User Then Kills Himself—Death of an Early Settler—Happenings in the Buckeye State.

GEORGETOWN, O., Nov. 4.—Yesterday morning between 12 and 1 o'clock John H. Markley, judge of the common pleas court of Brown and Clermont counties, was shot by John Davis, colored.

The bullet struck Markley's forehead and split, part of it entering the skull and the other part glancing off.

Judge Markley and Editor J. W. Eylar were standing on the corner of Main and Market streets, having stopped there before parting for their homes for the night, when they were accosted by Davis, who began talking to Judge Markley in reference to his (Davis') breaking into a store of James Markley a brother of the judge, with which he was accused with three other negroes, but was not convicted.

Judge Markley talked kindly to the fellow until Davis became boisterous, when Editor Eylar said to Judge Markley: "There is no use talking any longer over the affair," and, bidding the judge good night, they both started home. They had gone only a few steps when Davis called to the judge again, and as the judge turned around, the shot was fired.

It is believed Judge Markley will die. Davis fled, but was captured by the authorities about five miles south of this place in a deep hollow of a woods on the farm of Ves Utter. Deputy Sheriff Jacob Campbell made the capture, and started immediately for Batavia, where Davis will be placed in jail.

Should Davis have been brought here he would undoubtedly have been lynched.

ATTEMPTED ASSASSINATION.

A Discharged Gardener Shoots Mrs. Henry and Then Kills Himself.

CINCINNATI, Nov. 4.—A cowardly attempt to assassinate Mrs. John Henry, a wealthy and prominent woman, at her home in Clifton was made yesterday morning by Lindsay Neighbert, a gardener, whom she had recently discharged. While Mrs. Henry was at breakfast alone, Neighbert suddenly entered the room and began firing.

A servant came to her assistance, and seized the assassin, after he had fired two shots. She managed to get him out of the room, and he fled to the woods, where an hour or two later he was found dead, with a bullet through his head.

Mrs. Henry's life was saved by the bravery of Delsine Barrett, who actually overpowered Neighbert. Her wounds are in the arm and are not regarded as serious.

Neighbert had been suspected of theft and was discharged last week, the day after the marriage of Miss Henry to E. O. McCormick of the Big Four, because a number of articles were missing at that time. He was 50 years old.

CHAIR CAR HELD UP.

The Robbers Got Seventy or Eighty Dollars and a Gold Watch.

LITCHFIELD, Ill., Nov. 4.—Last night as the Buffalo, New York and Boston limited, on the Wabash, due here at 9:48 o'clock, pulled out, two men without masks boarded the chair car and at the point of cocked revolvers demanded the passengers to give up their valuables.

After going through the car, which was done at a lively rate, the robbers pulled the bell cord and the train stopped and the robbers got off, running east on Third street and disappearing as the train moved on. The robbers got between \$70 and \$80 and a gold watch.

Bank Robbed.

LIGONIER, Ind., Nov. 4.—The bank of Shipshewana was entered by burglars last night and the safe was blown open with dynamite. Two men were engaged in the robbery. All the valuable papers were taken, together with \$5,000 in cash. The burglars escaped on a handcar.

DEATH OF AN EX-SENATOR.

General Thomas I. Clingman Ends His Days in an Insane Asylum.

RALEIGH, Nov. 4.—General Thomas I. Clingman, ex-United States senator, died in the Morganton insane asylum at 1 p. m. yesterday. Aged, poor and infirm, the state gave him a home there. General Clingman was born in Yadkin county in 1816, elected a Whig member of the legislature in 1835 from Surry, and a state senator in 1836 from Asheville; became a leader of the Whig party and was a member of congress from 1843 to 1858, excepting the Twenty-ninth congress.

In 1858 he was appointed to the United States senate to fill the vacancy caused by the resignation of Asa Briggs and was re-elected. His speech on Clay's defeat led to a duel with William Yancy of Alabama.

At the outbreak of the civil war he entered the Confederate army as colonel of the Twenty-fifth North Carolina regiment and soon became brigadier general and was wounded at Cold Harbor and Petersburg.

He served as delegate to the national Democratic convention 1865, but has avoided politics since. He was never married.

MISTAKEN FOR WHITE CAPS.

A White Handkerchief Interpreted as a Signal of Danger.

ENGLISH, Ind., Nov. 4.—While William Henry and Calvin Falkenberg were returning from a dance in the vicinity of Celina, they made considerable noise in passing the home of John Taylor.

Young Falkenberg had lost his hat and tied a white handkerchief over his head and this attracted Taylor's attention and convinced him the young men were White Caps. Without further ado, he fired upon them, using a shotgun. Falkenberg was wounded, but will recover. Taylor conveyed him to his home, expressing the greatest regret upon discovering his mistake.

Sidener confessed, implicated Steele, who also confessed.

Johnson, who took passage from New York on Wednesday last and left the ship at Charleston on Friday. He stayed at the hotel here two nights and went to the island Sunday. It is thought to be a case of suicide, and the name possibly assumed. Masons have charge of the body and will search for his family.

NYACK, N. Y., Nov. 4.—Murtie McKenna, a widow, 60 years of age, was found dead in bed at Sloatsburg, Rockland county, last evening. Her throat was cut from ear to ear and there was a cut in each hand. The room was spattered with blood. No knife of any kind was found. It is thought that the woman was murdered. GEN. BLANCO'S VIEWS

He Thinks He Can Soon Pacify Cuba.

FIRST REPORT MADE TO MADRID.

Spain Again Calls on the United States to Stop Filibustering—General Blanco More Clearly Defines His Cuban Policy. Ex-Minister Taylor Creates a Sensation. Dauntless Heard From.

MADRID, Nov. 4.—Marshal Blanco, the new captain general of Cuba, has sent a cable message to the Spanish government saying he has formed a favorable opinion regarding the prospects for the pacification of Cuba.

A semi-official note has just been circulated giving a more exact definition of the Spanish note in reply to the communication of the United States on the subject of Cuba than has hitherto been published.

The first part of the reply is a paraphrase of the latest note of the United States. It concludes with the assurance that Spain is animated by the same friendly feeling as expressed in behalf of the United States.

The second part of the reply goes into elaborate details concerning the various filibustering expeditions. Spain, in concluding that portion of her reply to the United States, expresses the hope that this phase of the situation will be changed and that the United States will try to "prevent further violations of international law."

Replying to the offer of mediation made by the United States, Spain says she hopes the United States will act "loyally and correctly in helping Spain to pacify Cuba, especially in view of the fact that such an extended form of autonomist government is about to be sincerely granted."

The general feeling here is more hopeful of a peaceful outcome of the situation, especially since Marshal Blanco's arrival at Havana, and it is believed his presence will greatly further the solving of the Cuban problem. At the same time it is pointed out that the submission of the insurgents can not be expected. "Unless they are entirely abandoned by the United States."

SPANIARDS ANNOYED.

Ex-Minister Taylor Writes a Sensational Article For the Press.

NEW YORK, Nov. 4.—A special to The World from Madrid says: Something of a sensation has been caused by telegrams from America epitomizing an article on Cuba written for an American magazine by former Minister Taylor. The Spaniards are particularly annoyed because Mr. Taylor has obtained from their own contemporary data in the daily press and from utterances of their statesmen all his information about lack of honesty in the elections and in the parliamentary government and about notorious abuses in their home administration even at the capital.

The conclusion Mr. Taylor draws from such premises in favor of American intervention for the settlement of the Cuban question has given much offense at court and in official and political circles because it is deemed calculated to counteract the favorable impression the Spanish note had made in the highest circles at Washington, including the president and his cabinet, according to telegrams received by the Madrid press and the official dispatches from Minister Dupuy de Lome to the cabinet. Some Spanish papers affect to make light of Mr. Taylor's statements.

BLANCO'S PLAN OF CAMPAIGN.

Reforms of the Abuses Practiced by Weyler Will Soon Be Commenced.

HAVANA, Nov. 4.—General Blanco, the new captain general, said in an interview yesterday that he will do away with the policy of concentration, the infamous policy inaugurated by General Weyler, which has caused so much suffering to the pacificos.

"My method of warfare," said Blanco, will never include concentration. I fight the enemy, not women and children."

The captain general says he will at once extend the zones of cultivation and send the reconcentrados out of the towns to till the soil. He will also rebuild the small towns by the labor of these people.

General Blanco said the complete plans of reform for Cuba would soon be announced. He is confident that the Cubans will accept when they learn the nature. All the rebels who came to him he would greet with open arms and the past would be forgotten.

DAUNTLESS HEARD FROM.

She Lands at Key West After Two Successful Filibustering Expeditions.

JACKSONVILLE, Fla., Nov. 4.—The steam tug Dauntless, which left Savannah under suspicious circumstances about two weeks ago, has been heard from at Key West, where she put in for coal. The cruiser Montgomery has been patrolling the north coast of Cuba for five days past in search of the Dauntless, which was suspected of filibustering.

The Dauntless landed two expeditions from the Silver Heels, one in Camagney, another in Santa Clara province. J. Cartaya landed at Key West from the Dauntless and will remain there. Dr. Juan Castillo and Charles Silva landed at Camagney with important messages for the Cuban government. Both expeditions landed safely and have gone to the interior.

An important meeting of the Directors of the local association will be held in the rooms to-night at 8 o'clock. State Secretary H. E. Rosevear is expected in the city this afternoon and will be present at the board meeting.

Because of the above meeting the Bible Training Class will hold its first session next week, Thursday, at 8:15, instead of this evening as first announced.

The gymnasium work will begin tomorrow, the first class for business men, being conducted at 4 o'clock, and the young men's class at 7 p. m. Only those members who desire the advantage of systematic exercise and class work will be expected at the gymnasium during those hours.

The regular monthly meeting of the Y. M. C. A. Women's Committee will be held in the association parlor Friday afternoon at 3 o'clock.

Great was the joy of the Juniors and their boy friends last evening. The ladies planned and successfully carried out an interesting program consisting of violin solo, piano solo and recitations by the young ladies mentioned in these columns yesterday. After the program was over, the boys indulged in games and left with smiling faces, while the good ladies handed each a generous supply of molasses candy kisses.

HAVANA, Nov. 4.—According to a dispatch from Madrid, the Spanish government intends to enter into a contract with the Bank of Spain at Havana under which the bank will undertake the management of the Cuban treasury, the lottery and the other public financial concerns of the island. It is understood that the bank will make a new issue of gold notes to the amount of \$100,000,000, and these notes will be received by the government in payment of taxes of every class, including customhouse duties. The government silver bills under this arrangement will be withdrawn. It is expected that Senor Martos Garua will be appointed governor of the province of Santa Clara.

A CLEAN SWEEP.

The Contest For Jailer Only Close Race in This County.

Complete Revised Figures Give McIlvain Thirteen Majority.

Wood Defeats Cochran by 111 Majority.

The Race For Commonwealth's Attorney Very Close.

Judge Harbeson Re-elected by About One Hundred Majority.

The complete returns, revised and corrected, show that the contest for Jailer was the only close one in this county.

On the face of the official returns McIlvain wins by a majority of 13. It is not thought the official count will change these figures.

In the hurry and rush to collect and tabulate the returns yesterday, an error of 70 in favor of Mr. Cochran was made in Minerva's vote for County Clerk. His vote there is 41. In setting up the table the 4 was mistaken for 11, and his vote was put down at 111, instead of 41. One or two other slight errors were also discovered. The corrected figures give Wood a handsome majority, 111.

An error of 22 in favor of Mr. Sallee was discovered in Precinct No. 4. Latest returns from district leave result in this race in doubt. It will take official count to settle it.

Judge Harbeson is re-elected by about 100 majority.

Below are the revised returns from this county:

R. H. BOWMAN, ex-Maysvillian, was elected a member of Council at Newport by a little over 100 majority.

MARRIED, at the St. Charles Hotel Wednesday evening at 6 o'clock by Rev. S. D. Dutcher, Mr. Rufus Buckner to Miss Hester Curtis, of Piqua, Robinson County.

QUININE, hot baths and hot drinks as remedies for a cold often derange the functions, open the pores and make the system susceptible to more cold. Dr. Bell's Pine Tar Honey goes to the seat of the trouble and cures the disease without the slightest injurious effect. For sale at Chenoweth's drug store.

The marriage of Miss Sudie Berry to Mr. Marius Mullikin will occur this evening at 7:30 o'clock at the Presbyterian Chapel, Cincinnati, Rev. M. Lee officiating. The bride is a daughter of Mrs. G. A. Berry, of West Second street, and has a large circle of friends and relatives in this city and county who will join in good wishes to the happy couple. Mr. Mullikin is bookkeeper in Armour & Co.'s Cincinnati house.

The next attraction at the opera house is the celebrated "Turner's World of Novelties." This organization carries a company of fifty people, American and Oriental actors, trained animals and two complete bands of music. In fact they give an exhibition far superior to anything ever witnessed in Maysville. This mammoth company travels in their own special car, and will be at the opera house to-morrow night.

The Democrats of Boyd County elect the entire county ticket, with the possible exception of the Superintendent of Schools, by majorities ranging from 15 to 150. Boyd gave McKinley 875 majority. The Democrats swept the entire city of Catlettsburg, electing the complete ticket by greatly increased majorities. The present Council stands: Five Republicans and three Democrats. The new Council is solidly Democratic.

Friday's Cash Sale!

WOMEN'S GINGHAM APRONS.—Six months ago we asked you to share a bit of good fortune that had given us ten dozen Gingham Aprons to sell at 10c. and 12½c. each. You took them in fourteen selling hours. It has happened again—for the last time we are assured. But no matter about that, checked Gingham Aprons, neatly bordered, blue, brown, green, nice quality, good width and length, two sizes, 10c. and 12½c.

WHITE QUILTS.—Measuring 72 inches long by 70 inches wide; containing 5,390 square inches of surface for 50c. Is it made of paper, you ask? Bless you, no! but of good, honest stock, woven in a Marseilles loom in pretty relief designs. Haven't had an article that will advertise us so extensively in a long time. Each buyer will tell a friend and the friend will become a buyer. Think of a White Quilt, hemmed ready for use, Marseilles pattern, large enough for a double bed, at 50c. That's only one grade of Quilts—have a half-dozen more at curiously low prices for the quality.

A LIVELY INCIDENT

Growing Out of a Purchase Made at an "Old Hoss" Auction Down in Owensboro.

[Owensboro Farmers' Journal.]

There was a hot time in a prominent Owensboro family for a short time a few mornings ago, during which the better half of the household just spun around on her ear, like a button on a smoke-house door, the result of an attempt at a little private speculation on the part of the lord of the household.

The head of the family attended the sale of the unclaimed packages of the Adams Express Company, and in the excitement of the moment he bid in a small package for a couple of dollars, which he stuck into his overcoat pocket and went his way. Two or three mornings after the occurrence the wife discovered the package in the pocket and very naturally began investigating, and to her consternation found a pair of female apparel, elegantly fringed at the bottom, and two or three other articles of female underwear.

Then the storm began, and for the space of a minute or two the air was full of certain articles of female underwear, overcoats, etc., while the rattled husband was hanging by his hands from an upper two-story window, pleading in pitiable tones for an opportunity to explain.

Finally, after the good wife had exhausted her vocabulary of expletives and explosives, the affrighted husband got a hearing long enough to explain the matter and quiet the troubled waters, but it is dead certain that he will give "old

hoss" sales, as they are termed, a mighty wide berth in the future.

The racket grew out of the gentleman's forgetting the transaction after the purchase, and thus left the innocent package in his overcoat to be discovered and opened by the wife.

W. S. DUDLEY, JR., General Agent for the well known firm of Glover & Durrett of the Louisville Tobacco Warehouse Company, will be in their employ for the coming year and is now ready to advance money on crops to parties who intend to ship. JUDGE MARKLEY SHOT.

A Negro's Cold-Blooded Deed at Georgetown, O.—His Victim Fatally Hurt.

GEORGETOWN, O., November 3.—Common Pleas Judge John M. Markley was shot and dangerously wounded by John Davis, a worthless negro, shortly after 12 o'clock last night. In company with Editor J. W. Eylar, Judge Markley was standing at the corner of Main and Market streets, when Davis came up and began talking to the Judge about a case in which he, Davis, was charged with burglary, but was not convicted, owing to the death of the principal witness. Judge Markley talked to him for some time, but finally Editor Eylar said there was no use to talk all night, and bidding the Judge good night, the two separated and started for home. When but a few steps away Davis called to the Judge, and as he turned around fired, the bullet striking Markley in the forehead, a little to the right of the center, passing through the skull. The Judge was conveyed to a hotel and Drs. Markley, Osborn and Mitchell summoned. Drs. J. W. and Alex. Wylie, of Ripley, were also summoned and the ball removed after a consultation of the physicians present. The ball was taken out in four pieces, together with many small pieces of bone. The wound is a very dangerous one and there is but one chance in a hundred of Judge Markley's recovery. The weapon used was a 32-calibre revolver, and when Davis fired he was but a few feet away from Judge.

After firing the shot Davis turned and ran out the Russellville pike. He was seen early this morning on the farm of Samuel Cochran, and was making his way toward the Ohio river.

Davis was captured in a deep hollow in a woods on the farm of V. E. Sutter, near the river, by Deputy Sheriff Jacob Campbell, who started for Batavia with the prisoner, where he will be placed in jail.

Household Gods.

The ancient Greeks believed that the Penates were the gods who attended to the welfare and prosperity of the family. They were worshipped as household gods in every home. The household god of to-day is Dr. King's New Discovery. For consumption, coughs, colds and for all affections of throat, chest and lungs it is invaluable. It has been tried for a quarter of a century and is guaranteed to cure, or money returned. No household should be without this good angel. It is pleasant to take and a safe and sure remedy for old and young. Free trial bottles at J. J. Wood's drug store. Regular size 50c. and \$1.00.

It is hoped that the people of Maysville and surrounding country will take advantage of the first opportunity ever offered in Maysville of attending a grand, good foot ball game. The boys will appear in their new uniforms at the park this afternoon. Go out and watch their practice game and attend the opening game Saturday too.

We

Knew We

Had a Good Thing

In the stock of fine Clothing we recently bought by electric light. There is so much clap-trap Clothing advertising in vogue at present that we refrained from saying too much about this purchase. We simply called your attention to it and said look in our window display, see the goods and note the CASH price on them. We knew we would sell some of them; the continued warm weather left a doubt as to selling a great many now. The doubt is dispelled. Since the day we opened this purchase and made our window display our store has been crowded with customers anxious to secure these unheard-of bargains.

We advise our friends who contemplate buying a Fall or Winter Suit and Overcoat not to let this opportunity slip. It is only one in a long time where circumstances arise that enable merchants to secure

THREW ACID

Into the Face of Captain Hoobler—Diabolical Deed of a Stranger at Vanceburg.

VANCEBURG, Ky., Nov. 2.—Captain J. B. Hoobler, the well-known bridge masonry contractor, was called to the door of his residence to-night at 7:30 o'clock by a stranger, and as he opened the door the man struck him with a beer bottle and threw into his face the contents of a smaller bottle, which is supposed to have contained acid.

His head was terribly gashed and his face horribly blistered and burned.

Captain Hoobler's married daughter, who followed him to the door, received some of the acid on her hand.

After accomplishing the deed the stranger warned the others not to scream or he would kill them all.

The condition of Captain Hoobler is serious. He will lose the sight of both eyes.

Captain Hoobler has many friends in this city and county.

OLD KENTUCK

Rolls Up An Old Time Majority For the Democrats.

Shackleford Wins by Not Less Than 20,000. Gubernatorial and Senatorial Gossip.

FRANKFORT, Ky., Nov. 3.—Returns show a landslide for the Democrats. Shackleford, the candidate for Clerk of the Court of Appeals, will have a plurality over Bailey, Republican, of not less than 20,000, and it may reach 30,000.

In many of the Legislative and Senatorial districts the vote is close.

It is plain, however, that the Legislature will be Democratic in both Houses and upon joint ballot by nearly two to one.

Nearly all of the nineteen four-year State Senators elected, and who will have a vote for Senator in 1900, are silver Democrats.

For this reason the Blackburn contingent are already announcing his candidacy for Senator to succeed Lindsay in January, 1900.

Senator Goebel will nearly have a walkover for the Democratic nomination for Governor, though the gains of the Democrats have set gubernatorial bees to buzzing anew in the bonnets of all the heretofore talked-of candidates for this office.

Democrats at the State Capital think that the final count and complete returns will show the Democratic vote as big as that of Republicans, National Democrat and Populist combined, and thus show their power to continue the free silver plank in their platform, and to snap their fingers in the faces of those National Democrats whom they don't want to allow to return to the party organization.

Republican State officials confess that their defeat has been a complete one, and blame the National Democrats for a "throw down" because they voted for their State candidate, and then for the balance of the Democratic candidates instead of the fused Republicans.

Governor Bradley and his anti-Hunter-Deboe followers can't conceal their delight at the defeat of the Republican State candidate, whom they supported in only a perfunctory manner, saying from the start he would be defeated because Hanna and McKinley had ignored Bradley, and because Bailey was nominated by a Hanna-McKinley State convention.

They are equally pleased with the defeat of Todd for Mayor of Louisville, and all of the McKinley candidates who were on the ticket.

The constitutional amendment giving cities and towns the right to raise local taxes by license instead of by the ad valorem process, on banks, etc., has had a very close call, if it has passed at all, nearly every suburban voter, who voted on the subject at all, voting against the amendment.

ELECTROCUTED

Was a Covington Man While Blowing a Tin Horn—A Peculiar Accident.

[Enquirer, November 3rd.]

John Schaefer, twenty-four, of 413 West Fourth street, Covington, Ky., was almost instantly killed at 9 o'clock last night in a most novel manner. Schaefer was selling tin horns to persons who were celebrating over the success of the Fusion ticket. In order to attract attention to his wares Schaefer blew one of his horns continually. When he got in front of Fechner's clothing store Schaefer placed the horn he was blowing against an electric light pole. In a trice the deadly current had penetrated his body and he was electrocuted. Schaefer fell to the pavement amid the shrieks of a number of women who were standing near him. James Jackson, of Madisonville, picked up the prostrate form of Schaefer and placed it near the building. The police were notified and Patrol 1 soon reached the scene. The body was hastily removed to the hospital, where life was pronounced extinct. The body was then removed to the morgue. Schaefer was a married man, and he leaves a widow and two small children. He was an industrious fellow, and his death is greatly deplored by a number of friends.

YELLOW FEVER NOT CHECKED.

Cold Weather Has Had No Effect on the Dread Disease.

NEW ORLEANS, Nov. 4.—During the past 24 hours there were 52 new cases of yellow fever reported to the board of health and five deaths. Physicians explain that those being reported now had the disease in their system before the cold wave reached here. The weather has modified considerably since Sunday night.

Mrs. Hogan is 30 years old and extremely prepossessing in appearance. Her mania has grown out of her interest in the present mayoralty contest. Something to Know.

It may be worth something to know that the very best medicine for restoring the tired but nervous system to a healthy vigor is Electric Bitters. This medicine is purely vegetable, acts by giving tone to the nerve centres in the stomach, gently stimulates the liver and kidneys, and aids these organs in throwing off impurities in the blood. Electric Bitters improves the appetite, aids digestion, and is pronounced by those who have tried it as the very best blood purifier and nerve tonic. Try it. Sold for 50c. or \$1.00 per bottle at J.
